all physical energy and cosmic force circuits have their origin in Nether Paradise. 122-5 para 1.

2. The inner zone of this force center seems to act as a gigantic heart whose pulsations direct currents to the outermost borders of physical space. It directs and modifies force energies but hardly drives them. 122-5-4.

1. The Central Isle is essentially flat and ellipsoid, being $\frac{1}{6}$ longer in the N.S. diameter than the E.W. diameter. 119, 2, 2

2. The differences in dimensions, its stationary status, and the greater outpouring of force-energy at the North end of the Isle make it possible to establish absolute direction in the Master Universe

3. a. The periphery is $\frac{1}{10}$ the distance of the E.W. diam.
 b. Landing and dispatching fields for various groups of spirit personalities -
 c. Historic and exhibit areas are assigned to the Creator Sons (Michaels).

d. The central Isle ends abruptly at the periphery but its size is so
